

Tomatillo Salsa

This is a killer salsa and a personal favorite. Super simple to make and wonderfully light and delicious.

6 tomatillos, medium size and firm ripe

¼ cup red onion

1 garlic clove

1 cup cilantro, finely chopped

½ large cucumber

1 jalapeno pepper, seeded for mild heat, or leave the seeds in for spicier

Salt and fresh ground pepper to taste

Lime juice and honey to taste (optional)

Wash and husk the tomatillos. Chop the first 5 ingredients in a food processor, stir in remaining ingredients.

Excellent served with pita chips.
